

Attorney Docket No.: 766632-0034
First Named Inventor: Margaret Ancira

DECLARATION FOR A PATENT APPLICATION

As a below named inventor, I hereby declare that:

My residence, mailing address and citizenship are as stated below next to my name.

I believe I am an original, first and joint inventor, together with the other listed inventor, of the subject matter which is claimed and for which a patent is sought on the invention entitled SEBORRHEIC KERATOSIS TREATMENT, the specification of which was filed on October 9, 2003 and is United States Patent Application Serial No. 10/684,136.

I hereby state that I have reviewed and understand the contents of the above identified specification, including the claims, as amended by any amendment referred to above.

I acknowledge the duty to disclose information which is material to the examination of this application in accordance with Title 37, Code of Federal Regulations, Sec. 1.56.

I hereby claim foreign priority benefits under Title 35, United States Code, Sec. 119 (a)-(d) or 365(b) of any foreign application(s) for patent or inventor's certificate, or Sec. 365(a) of any Patent Cooperation Treaty (PCT) international application which designated at least one country other than the United States of America, listed below and have also identified below any foreign application for patent or inventor's certificate, or of any PCT international application having a filing date before that of the application on which priority is claimed:

None.

I hereby claim the benefit under 35 United States Code Sec. 119(e) of any United States provisional applications listed below:

Provisional U.S. Application Serial No. 60/267,978, filed February 9, 2001.

I hereby claim the benefit under Title 35, United States Code, Sec. 120 of any United States application(s), or Sec. 365(c) of any PCT international application designating the United States of America, listed below and, insofar as the subject matter of each of the claims of this application is not disclosed in the prior United States or PCT international application in the manner provided by the first paragraph of Title 35, United States Code, Sec. 112, I acknowledge the duty to disclose material information as defined in Title 37, Code of Federal Regulations, Sec. 1.56 which occurred between the filing date of the prior application and the national or PCT international filing date of this application:

Parent U.S. Patent Application Serial No. 10/072,829, filed February 8, 2002.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.
